

25 Years of Conservation

Southeast Michigan Land Conservancy

Lost Lake Nature Preserve

538 Acres

Conservation is in our nature.

LEGEND

-  Preserve Boundary
-  County Line

This Preserve was acquired in August 2013. SMLC will manage the property for natural areas preservation and low-impact public recreation. Until SMLC can provide public access, the Preserve is not open to the public.

A Conservation Easement on the Property is held by Six Rivers Land Conservancy
